Steele Rubber Products Announces

## **New Vent Window Seal for Mopar C & D Body Hardtops & Convertibles**

Steele Rubber Products Inc. announces a new vent window weatherstrip for 1965-67 Mopar C body and 1967 Mopar D body hardtops and convertibles. This much needed part is now available to protect your vehicle against the noise and weather. The weatherstrip is completely molded including the division post like the original. This vent window seal fits 1965-67 Chrysler 300, Newport, New Yorker, Dodge Monaco, Polara, Plymouth Fury, and 1967 Imperial 2 door hardtops, 4 door hardtops, and convertibles. These seals have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
