Steele Rubber Products Announces

New Hood to Cowl Seal for 1941-47 Packard Clippers

Steele Rubber Products Inc. announces a new Hood to Cowl Seal for 1941-47 Packard Clippers. This part replaces factory #370543 and is now available to protect your vehicle against the noise and weather. The weatherstrip is completely molded and has pre-drilled holes for aligning clips. Our seals have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
