Steele Rubber Products Announces

## **New Body Mounting Kits for 1955-59 Chevrolets**

Steele Rubber Products Inc. announces three new body mounting kits for 1955-59 Chevrolets. These much needed parts used to be available individually but now are being offered as full body mounting kits. The kits are completely molded like the original and help protect your car's body from vibrations. There are three body mounting kits. The 1955-57 kit (part #70-3200-48) is a 28-piece kit and fits all Chevrolet models except convertibles. The 1958 kit (part #70-3206-48) is a 24-piece kit and fits Chevrolet hardtops only. The 1959 kit (part #70-3201-48) 20-piece kit fits all Chevrolet models except convertibles. Our seals have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
