Steele Rubber Products Announces

New Rear Stationary Quarter Window Seal for 1966-67 Chevy Nova

Steele Rubber Products Inc. announces a new rear stationary quarter window seal for 1966-67 Chevy Novas. This much needed part is now available to protect your vehicle against the noise and weather. The weatherstrips go around the entire perimeter of the rear stationary quarter window. The parts are completely molded like the original and replace factory #7580842. The seals fit 1966-67 Chevy Nova 4 door Models 11169, 11369, and 11469. Our weatherstrips have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
