Steele Rubber Products Announces

Front Door Vent Window Seal for GMC Cannonball Series

Steele Rubber Products Inc. announces a front door vent window weatherstrip for 1951-59 GMC Cannonball Series 650 and up. This seal is available in pairs for the front right and left doors of your classic truck. This much needed part (Part #70-2240-55) is now available to protect your truck against the noise and weather. Steele Rubber Products seals have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
